A man wearing a cap and a long-sleeved shirt stands in a forest, holding a large, dark sword vertically. Behind him is a wooden board displaying nine photographs of insects, each with a label. The board is titled with various insect names. The man is looking towards the camera. In the foreground, the backs of several people's heads and shoulders are visible, suggesting they are part of a group or audience. The background is a dense forest with sunlight filtering through the trees.

Giving this young generation an eternal  
hope they never had.

Join us and leave a legacy written in Living Stones.

1 Samuel 14:6

“Nothing can hinder the LORD from saving,  
whether by many or by few.”

We would like to ask you to pray with us  
that the few would become many, so we can reach more!

Our goal is to provide retreats for a minimum of  
500 kids a year and grow!

The End

Help us awaken  
Eternity in their hearts.
