FROM THE PASTOR'S DESK

Two Are Better Than One

I hardly notice how quickly time passes us by. When I do pause and look back, I realise that the year is almost half gone. Day after day, we all get caught up with work, family, ministry, and learning. Very often, we find ourselves barely have time to pause for self-reflection or pay attention to the people around us. But do you realise that in the many seasons of our life, we have never actually walked alone? There would always be people whom God placed at different stages of life to walk the journey with us. Perhaps when you were exhausted, someone showed you care; when you were feeling down, someone was willing to lend a listening ear; when you faced difficulties, someone quietly gave you a helping hand. Very often, what truly gives us strength is not merely advice or answers, but having someone willing to stay by our side and journey with us.

Ecclesiastes 4: 9–10 says, **“Two are better than one, because they have a good reward for their toil. For if they fall, one will lift up his fellow...”** The verses do not say that we will never stumble in life, nor that we will never grow weary. Instead, they tell us that in toil and hardship, two walking together is better than one walking alone.

In the month of June, we have Family Day and Youth Camp. They may seem like very different events, but both remind us of something important: our growth never happen alone. Family is not just a place where people live together; it is also where people journey through life together. When we are used to being busy, we easily overlook what our loved ones

truly need — not just provision or a plan, but time, presence and companionship. A simple meal together, a genuine conversation, or even a brief pause to be present, can become the strength that keeps each other going.

For the younger generation, what they need is not merely activities or programmes. They need people who are willing to understand them, listen to them, and be there with them when they are lost, confused and struggling in their growing up. Hence, a caring adult who walks alongside them or a welcoming church, can become vital support and source of encouragement in their lives.

In many ways, the church itself is also a community that journeys together. When one is weak, there is someone to help. When one is weary, there is someone willing to accompany them. This is exactly what Ecclesiastes reminds us about: two are better than one.

In today's world, many people have become used to bearing everything alone, and as a result, they can feel lonely even in a crowd. But God never intended for us to walk alone. Instead, He reminds us to cherish those who have accompanied us in life's journey, and in turn, learn to become someone who is willing to walk alongside and support others too. Because in life, what matters most is not who moves the fastest or achieves the most, but having people who are willing to journey together with us. That is precisely why "two are better than one".

PRAYER HIGHLIGHTS

WORLD

Pray that following the recently concluded Shangri-La Dialogue in Singapore, world leaders will continue to strengthen relationships with one another and foster greater trust, understanding and cooperation among nations. In the midst of global uncertainties, pray that nations will not be driven by fear, pride or self-interest, but recognise their shared responsibility for the stability and well-being of the wider world. Ask the Lord to preserve peace, prevent conflicts from arising, and grant wisdom, integrity, and humility to those entrusted with leadership, that they may govern with justice and seek the common good.

SINGAPORE

Give thanks for the peace, stability, and harmony that Singapore has enjoyed over many years. Pray for our President, Tharman Shanmugaratnam, our Prime Minister, Lawrence Wong, and all Cabinet Ministers and government leaders, that they will carry out their responsibilities faithfully and diligently as they serve our nation. Ask the Lord to sustain and guide them in their work, and to grant them clarity and foresight as they address the challenges facing Singapore. Pray that their efforts will contribute to a just and caring society where people of all backgrounds may flourish, and that God will continue to watch over and bless our nation.

Family Day Outing

We look forward to our Family Day Outing to Johor Bahru on 13 June. Let us commit the trip to God:

- Pray for His protection and safe journey for everyone traveling — safety on the road, smooth immigration clearance, and good health throughout the trip.
- Pray for joyful fellowship and unity — that members will look out and care for one another, and grow closer through meaningful conversations, encouragement, and shared experiences.
- Pray that the outing will provide everyone with rest, joy, and renewed strength as a church family.

LEGACY GIVING

*“For all things come from You, and of Your own have we given You.”
1 Chronicles 29:14*

Legacy giving, also known as bequest giving or planned giving, enables you to contribute to the mission and ministry of the church by planning in advance a donation that will be made upon your death. It is a meaningful demonstration of your stewardship of the resources that God has entrusted to you.

If you would like to plan your legacy giving, please approach the Priest-in-charge, Revd Kelvin Koo, for more information.
