# PRAYER HIGHLIGHTS

## WORLD

Pray for the Middle East as renewed military confrontations involving Israel, Iran and Lebanon continue to raise concerns over civilian casualties, displacement and the possibility of a wider regional conflict. Commit the leaders of these nations to the Lord, that He would grant them wisdom and restraint, and guide them in the ways of peace. Pray for lasting reconciliation and stability in the region. Remember also the humanitarian workers and local churches serving those affected by the conflict. May the Lord protect and strengthen them, and enable them to bear witness to Christ's love and hope amid suffering and uncertainty

## SINGAPORE

Pray for those facing unemployment and uncertainty amidst changing economic conditions and rapid technological change. Ask the Lord to sustain and encourage them as they seek new opportunities, granting them wisdom, resilience and hope for the future. Pray also for their families, that God will provide for their needs and uphold them during times of uncertainty. Remember especially their mental and emotional well-being, that they may find comfort, peace, and assurance in the Lord.
